Subject: SIEF Electrolyte, copper manufacturing - nomination of Lead Registrant
Attachments: B12 Letter for pre-SIEF members.pdf; 090616_Lead Registrant Electrolytes Copper.pdf

Dear Members of the SIEF on Electrolytes, copper manufg., spent (EC 273-752-2) and similar substance EC 273-716-6

Through a previous message from SFF **Norddeutsche Affinerie/Aurubis** , we informed you on the intention of Aurubis to act as Lead Registrant for the dossier on aforementioned substance. For your information, please find enclosed the letter from the SFF/Lead Registrant to Pre-SIEF members on substance identity, that was previously sent to you in the context of the "sameness discussion" .

Today Aurubis would like to advise all SIEF members that it is nominated as LEAD REGISTRANT for the aforementioned dossier. For your consideration, please find attached the message sent from Lead Registrant to ECHA confirming the nomination.

Aurubis member of the REACH Copper Consortium managed by the European Copper Institute (ECI) and is preparing the Joint registration dossier for the first registration deadline 2010, as a substance used as intermediate under Strictly Controlled Conditions. We take the opportunity to thank those who responded to our "sameness" survey.

On basis of the previously outlined dossier specificities and substance ID, the REACH Copper Consortium, in close cooperation with the Lead Registrant will now move on in the preparation of the registration dossier. Please let us know soon in case you have relevant data to share.

NOMINATION AS LEAD REGISTRANT FOR SUBSTANCE "ELECTROLYTES, COPPER-manufg., spent" (EC 273-752-2) and similar substance "ELECTROLYTES, COPPER -manufg., spent, demetalized" (EC 273-716-6)

Dear Sir/Madam,

Through this message, **Aurubis AG** would like to advise ECHA and all SIEF members that it is nominated as LEAD REGISTRANT for the aforementioned substance.

Aurubis AG is member of the REACH Copper Consortium managed by the European Copper Institute and is preparing the registration dossier for the first registration deadline 2010. For additional information on European Copper Institute ECI and the REACH Consortium for copper metal (and the various intermediates that come out of the copper smelting and refining processes), please visit <http://www.eurocopper.org/copper/reach.html>

In the course of January/February 2009, the proposal of **Aurubis AG** to act as Lead Registrant was submitted to SIEF members via a communication placed on the ECI/Consortium website and/or SFF-box of REACH-IT, as well as via individual sendings to SIEF members, giving a reasonable time to respond. By today DATE the nomination as Lead Registrant is confirmed.

Yours sincerely,

i.A. Dr. Hendrik Roth
