Subject: RE: Nomination as lead registrant for substance: Residue, nickel matte leaching
Dear Johanna Tiirikainen,

Thank you for your email. ECHA is grateful for this information.
The information about the nomination of a Lead Registrant is being collected in order that ECHA can make better estimates of the proportion of SIEFs, which have reached agreement on the one registrant that shall submit his registration with the agreement of the other assenting registrant(s) first. The functional mailbox you used serves this purpose. In case you informed ECHA in respect of a potential future nomination as a Lead Registrant, please send another communication to this same mailbox, once you have been nominated. It is understood that the information you submitted will not be used for official purposes related to the registration or data sharing activities within your individual SIEF.

If you have a specific question you can contact ECHA using the webform at http://echa.europa.eu/about/contact-form_en.asp and then selecting the menu item 'Enquiry on REACH'.

ECHA would like to inform you that any personal data that was contained in your communication is treated in accordance with [ECHA's privacy policy](#), in particular Regulation (EC) No 45/2001.

Kind regards,

The ECHA registration team

NOMINATION AS LEAD REGISTRANT FOR SUBSTANCE RESIDUE, NICKEL MATTE LEACHING and EC 927-629-1

Dear Sir/Madam,

Through this message, **NORILSK NICKEL HARJAVALTA Oy**, **UUID code** IUC5-93489962-f5a1-478e-a026-bd0e8f1e1486, would like to advise ECHA and all SIEF members that it is nominated as LEAD REGISTRANT for the aforementioned substance.

NORILSK NICKEL HARJAVALTA Oy is member of the REACH Copper Consortium managed by the European Copper Institute and is preparing the registration dossier for the first registration deadline 2010. For additional information on European Copper Institute ECI and the REACH Consortium for copper metal (and the various intermediates that come out of the copper smelting and refining processes), please visit <http://www.eurocopper.org/copper/reach.html>

In the course of January/February 2009, the proposal of **NORILSK NICKEL HARJAVALTA Oy** to act as Lead Registrant was submitted to SIEF members via a communication placed on the ECI/Consortium website and/or SFF-box of REACH-IT, as well as via individual sendings to SIEF members, giving a reasonable time to respond. By today 25th May 2009, the nomination as Lead Registrant is confirmed.

Yours sincerely,

Ms Johanna Tiirikainen

Product Stewardship Specialist

NORILSK NICKEL HARJAVALTA Oy
