The functional mailbox you used serves this purpose. In case you informed ECHA in respect of a potential future nomination as a Lead Registrant, please send another communication to this same mailbox, once you have been nominated.

It is understood that the information you submitted will not be used for official purposes related to the registration or data sharing activities within your individual SIEF.

If you have a specific question you can contact ECHA using the webform at http://echa.europa.eu/about/contact-form_en.asp and then selecting the menu item 'Enquiry on REACH'.
